Rain or Shine: We run rain or shine. Most tracks have excellent traction and can be run in wet conditions, besides it doesn't usually rain all day. We'll be there and so should you. If the conditions are so bad we can't run at all or we have to stop, you will get a full or partial rain-check to reschedule for another school.

Riding Experience: Participants must have some riding experience—we do not train first time riders.

Crashing: Crashing can end a participant's day of track riding. We aren't doctors and can not OK riders to return to track activities if they crash. There are rare exceptions.

Compliance with Safety Procedures: Participants agree to comply with CSS staff as regards safety procedures, failure to comply can lead to expulsion from school activities.

Consecutive Days of Training: In the event that you are signed up for 2 or more consecutive school days, you will be responsible for attending both or all days as per our normal cancellation & reschedule policy. This includes but is not limited to personal schedule change, mechanical failure if riding your own bike, crashing, etc.

Payment of School: Your school date(s) must be paid in full 30 days before the school date(s). If the balance due is not received by this time it may result in a forfeiture of your reserved spot. CSS has the right to give this spot to someone else and refund any monies previously paid by you.

Paying for a Friend: If you pay for the deposit on a spot at the school for a friend, you are liable for the full payment of the school 30 days before the school date(s) as if the spot was yours. If you decide not to pay for his/her balance you are solely responsible for getting your friend to pay it 30 days before the school date(s).

Renting a BMW S1000 RR: This is only for those participants that are renting one of the school's S1000 RRs, you must have a valid motorcycle license, it does not have to be from the state that you are attending the school in.
